# Drama

**The Living Word**

## Come Alive Ministry

We believe that drama is one of the most powerful communication tools God created.

Drama is all around us – life is drama. God's Word, the Bible, is filled with drama, both visual and mental.

Worship is drama in its purest sense... actions and attitudes. We are not speaking of entertainment here. We are speaking of movement, thought, dialogue, sound, light, response, all geared toward leading an individual into the presence of God where he or she can genuinely worship and glorify Him.

We delight in the use of different dramatic mediums to enhance and inspire the worship experience.

## The Vessels of Praise

Whether you call it praise dance, worship dance, or liturgical dance, we believe our dance is to be ministry in every way.

The Vessels of Praise allow God to use them to bring encouragement to worship and praise to God through the ministry of dance.

Truly we are thankful to the Lord for using us as vessels to touch the lives of people... and just when we think God has stretched us as far as we can stretch, he takes us even further!
