

History

The field of missions has been in existence since the days that our Lord and Savior Jesus Christ walked the earth. In Matthew 25:35-36, 40b he said, *"When I was hungry, you gave me something to eat, and when I was thirsty, you gave me something to drink. When I was a stranger, you welcomed me, and when I was naked, you gave me clothes to wear. When I was sick, you took care of me, and when I was in jail, you visited me." Whenever you did it for any of my people no matter how unimportant they seemed, you did it for me."*

The Mission Team of St. James has gone through several periods of transition but finally became active again in 1993 under the leadership of Pastor Allen Evans, Jr. With new reorganization we strive to achieve God's will for the lives others and ourselves.

Ministry Statement

The ministry of the Mission Team is to share the Word of God, to minister to the unsaved, and to build a bridge of hope between the church and community.

Purpose

Our purpose is to act out the love of Christ according to what He said, did, and taught, so that this love would lead us into a deeper devotion to Him through faith, obedience, and service, so that we might become true instruments in building His kingdom.
