

Nursery Procedures

The following procedures will make it simple and easy to use the nursery:

1. Let your child know that the nursery is a safe place to play and be with friends. Tell him/her you will be back to get him/her in a short time.
2. It's hard to say goodbye. Our experience has been that it is easier on all parties to make it short and sweet.
3. Equip your child for a comfortable stay by bringing two extra diapers, bottles or food, pacifier (if your child uses one), and a complete change of clothes. Any special needs should be written down and pinned to the child's bag. Clearly label your child's belongings.
4. For precautionary measures we ask that you please only bring well children to the nursery. Sick children endanger the health of other children and adults. Please do not bring your child to the nursery if he or she has any of the following or symptoms: fever, vomiting or diarrhea, coughing, sneezing, or runny eyes, or sore throat.

Nursery Workers

The nursery workers who care for the children are all volunteer members of the St. James church family. We ask that parents who are members of St. James placing a child in the nursery please volunteer to work in the nursery on a rotational basis.

Please contact Sis. Stephanie Dillard our Nursery Schedule Coordinator for placement on the rotation list.

Sis. Dillard can be reached at (502) 974-5873.

We always appreciate the extra hands and loving hearts.

Senior Pastor

Nursery Purpose

Welcome to the Nursery ministry at St. James.

We hope that both parents and children will feel at home in our nursery. Our primary purpose

is to facilitate and enhance your family's time of worship, at St. James by providing a safe, sanitary, and loving environment for your child.

We consider every baby a blessing and promise from the Lord. It is our desire to serve the needs of you and your child as we would serve Christ. The seeds of later trust in God are rooted in an early positive experience at church.

Our nursery currently falls under the care of The Women of Faith Ministry, our Nursery Team Leader is Sis. Delphine Evans. Should you have any comments about our nursery or any questions not answered in this brochure, please contact Sis. Evans and she will be glad to talk with you. She can be reached at 502-966-5056.

Mission Statement

We are dedicated to the following:

Providing your child with all the love and care necessary for a happy stay in the nursery.

Providing a safe, sanitary, and loving environment -- a place for little ones to rest, eat, be changed, make noise, expend energy, and play freely.

Providing parents with the security of knowing their child is well cared for allowing them the opportunity to worship without worry.

Our nursery is operated in the Ronald L. Hutchins Ministry House located at 2212 West Madison Street, just two doors down from the church.

Nursery care is provided for all children from birth through age four.

Please Note

We are constantly striving to upgrade the nursery. Please let us know of your concerns and ideas for improvement. We see our work here as a trust. It is a joy to work with your child.

Thank You Sis. Delphine Evans
