Ushers' Prayer

May I, dear Lord, in my church today, fulfill my assignment in a Christ-like way. Make me efficient in what I say, and effective in what I do. Make me a co-worker with the Pastor, Church, Teachers, Musicians. Members, and most of all Lord with Thee.

In Jesus Name, Amen

Our Purpose

Our purpose as ushers is to be Servants and Gatekeepers in God's House. Our prayer is to greet those who enter God's house with a smile, courtesy and assist in every way possible, in a Godly manner, so that those who comes into the house of God sense the presence of the Holy Spirit and our genuine love.

Junior Ushers

The Junior Ushers are the offspring of the Senior Ushers. The Junior Ushers of St. James Missionary Baptist Church is composed of our youth who are excited about serving the Lord! Their desire is to be used by God for His ultimate purpose in serving other fellow Christians. We pray that we will draw other youth to become excited about serving and worshipping God. As we continue to grow spiritually, it is our prayer that we will become more respectful of the teachings and worshipping of God.

Prayerfully we are building a strong network of young Christians who will someday become mature Christians and strong spiritual leaders in the church and our communities.

Our Goal

We are striving to do what God asks and expects of us, to grow and exalt the name of Jesus Christ, with our....**TIME....TALENT and TREASURES**, that we will first be seen by God and then by others.
